It is said history repeats itself, but this can also be said about fashions. The fashions of today take you back to the Victorian Age. These fashions can be seen in the dress of Vicky as she dons her new gown for the J-Hop, struts down the hall in a lengthy skirt minus the hoops.

Vic is purely modern in his blue jeans. The only throw-back to the past is the row of buttons on his coat sleeves, when, and if ever, he wears a coat.

Here Vic and Vicky amble their way through classes minus the restraint and smugness of the Victorians.

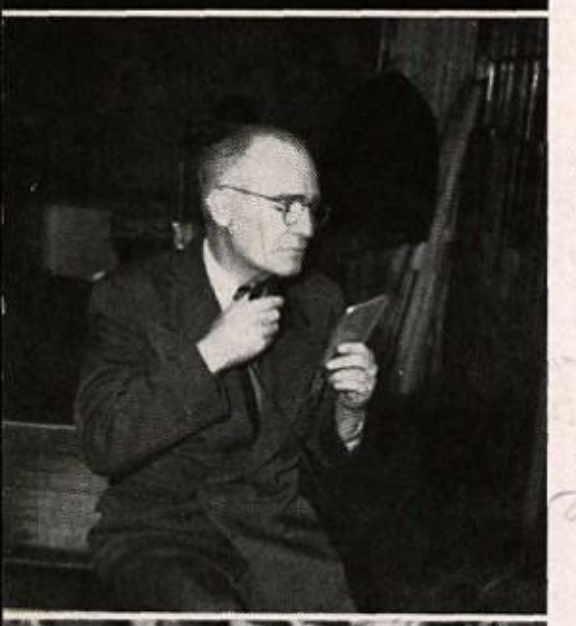
Mr. Howe, hard at work . . . .

Looks like a party, doesn't it?

Two of the boys who look after us . . . .



Guess who was late for school!

Whatcha doin', playin' cards?

FACULTY

Vic and Vicky do a little apple polishing

Top row: Wilde, Bendle
Center: Jolly, Solberg
Below: Berg

In this circle of pictures are the faces of Superintendent Wilde, Principal Bendle, and the three who help these men keep the machinery of administration running smoothly: Mrs. Jolly, Miss Solberg, and Miss Berg.

Vic and Vicky know them well. Maybe when they were eighth graders, they stood in awe in their presence; now they know they are friendly individuals willing to guide and help.

Who know the teachers and the pupils better than these four men who observe them both in and out of the classroom! Vic and Vicky have learned that they are the "dependables".

With best wishes
John Zielinski

Zielinski, Young, Jensen, Foster

New faces on the faculty this year are Miss Jane Holbert from Clarksburg, West Virginia; Mr. John Dennis from Minneapolis; Mrs. Margaret Thompson from Tomahawk, Wisconsin; and Miss Norma Jean Smith, Kalamazoo.

As freshmen and sophomores Vic and Vicky remember such old-timers as Mr. Gonser, now principal of a high school in another Michigan town; Miss Clarkson, Mr. Heckathorne, vocational co-ordinator of St. Joseph; Mr. Hartgerink of Ferris Institute, Miss Walters, Mrs. Kari Reed-Franck, Mr. Iams, Miss Schmidt, Mr. Rene Vreven, Mrs. Deehr, Mrs. Dryer, Mrs. Hewitt, Miss Nesbitt, Mr. Frank Suda.

They look through old annuals at these faces of yesterday, and remember . . . . pleasant memories mostly . . . .

Now that they are seniors they wax a little sentimental, knowing that soon all these faces will be faces of yesterday . . . .

Now with the rest of their classmates Vic and Vicky sum up their four years of fun and activities . . .

Somebody must have left the doors open. That's how it all started back in 1946. Under the able sponsorship of Mr. and Mrs. Apsey our class elections got under way. With our officers—Jack Didrickson, president; Jack Arnold, vice president; Barbara Tobey, secretary, and Ralph Eckoff, treasurer — holding the reins, plans were set up for our class party. This party proved to be one of the highlights in our freshmen year. The doors closed on our first year just as quickly as they had opened. Before we knew it we were saying good bye to M. H. S. until '47.

Jim Triece was our choice for president for our sophomore year. His aides for office were Jack Boadway, vice president; Delores Whitaker, secretary, and Pat Vallee, treasurer. We managed to have a large representation on the football and basketball teams, and clubs and extra-curricular events seized many of our class. Our April Showers Dance was a good example of people who could strive together to achieve their accomplishments, but again, all too soon, we said "so long" for another year.

In the fall of '47 when our class came together again, Ralph Eckoff was elected to lead us, with Dale Picardat to assist him, Norma Carty as secretary, and Violet Rosenow as treasurer. This year our big hurdle proved to be our J-Hop. Pat Vallee was general chairman, with Jim Janowiak and Mae Sharpe as co-chairmen. Eighty-two couples danced to the strains of Kolkowski's Orchestra at our "Leda Fiesta". We still can't see why seniors leave school with regrets, but give us one more year.

Seniors at last! Dick Crampton was elected president for our last year, supported by Vice President Jim Janowiak, Secretary June Englund, and Treasurer Norma Carty. Several of our athletes played their last game for M. H. S. this year. It doesn't seem possible that our first three years have slipped by so quickly. Everybody's busy ordering announcements, being measured for caps and gowns and having his photographs taken! (And wondering where he is going to get the money to go on the "skip trip" to Washington, D. C.) The time is getting short and as we wait for "Father time" to tick off the last minutes, we realize that the happiest hours and finest experiences of our lives have been spent.

and bestow on future seniors their hand-me-downs

Seeing that we are the graduating class of 1949, we thought it proper that we leave something behind after we depart from the premises. So — fellow seniors of tomorrow — read and acquire your hand-me-downs.

Iris Zaiger leaves her ability in cheerleading to Shirley Wendel and all of the conceit she can dig up to Bill Lewis. Norma Carty leaves her second semester of senior English to anyone who wants it. Anita Hansen leaves her willingness to make friends to her sister Joan. Dorothy Kuczynski leaves her ability to get along with people to Beverly Wendel. Shirley Hogan leaves her quietness to the noisy juniors. Ed Barch leaves his Chevy to anyone who can drive it. Bill Hernon leaves his Ford to anyone with lots of money and little brains. Dick Zeller leaves little Jerusalem without a toll gate. Tom Manwell leaves his mile-a-minute ways to Bill Lewis. Ralph Eckoff leaves his photographic ability to Norris Ingells. Henry Crampton leaves his blond curls to any peroxide who needs them. Jim Janowiak leaves that pencil behind his ear. Gloria Henshaw leaves her knitting to Joan Kott. June Anderson leaves her stage fright to anyone who has too much brass for their own good. Joan "Bunny" Knuth leaves her ability to get along with Mr. Apsey to the up and coming seniors. Pete Oakes leaves his football luck to Bob Tobey. Jack Arnold leaves his old skiis to Bill Shirley. Red Madden leaves the football and basketball players without any transportation downtown after practice. Marjorie Coellner leaves her ability to get along with Mr. Carlson to Vera Gibson. Marlene Oehlke leaves her ability to understand physics to Barton Erickson. Jack Didrickson leaves his Ford to anyone who owns a Chevrolet. Marolyn Marquand leaves her ability to keep her head when playing basketball to Gracie Otto. Joyce Hartman leaves her shorthand to those who can write it. Betty Harris leaves her bangs to anyone who likes them. Lorraine Swayze leaves her ability to get through senior science to her sister Neveoyn. Jay Thompson leaves his bassoon to any sucker who wants it, also all the girls in M. H. S. to Ken Larson. Mae Sharpe leaves her ability to argue on any subject to any quiet student. Darlene Rynearson leaves to join Bill. Ken Gillespie leaves his driving ability to Dale Didrickson. Larry Hutchinson leaves his boxing ability to Mickey Roskosky. Marlene Callesen leaves her ride to town every morning to her dear brother. Letha Townsend leaves Manistee High School to Louis Lidtke. Marilyn Conway leaves her ability to stay awake in international relations class to anyone that's been roped into it. Betty Johnson leaves her athletic ability to any up and coming athletes. Bob Johnston leaves his ability to get on the right bus after a football game to Louis Lidtke. Dale Picardat leaves his ability to stay awake in physics class to Frank Schubert. Norman Olson leaves his rip-roaring time at Boys' State to Bob Tobey. James Tomaszewski leaves Manistee High School to James Carlson. Myra Quade leaves her fun in fifth hour library to any lucky junior. Roy Bukowski leaves Louis Lidtke a road map. Pat Budde leaves her quiet personality to any quiet junior. Delores Whitaker leaves her Nash to anyone who can drive it as well as she can. Grace Brassington leaves her gray hairs to Mr. Krause and Mr. Radtke. Rosemary Hansen leaves her imitations of friends and foes to anyone who is as crazy as she. Violet Rosenow leaves her big blue eyes to her unlucky frog in Mr. Capper's class. Marijane Peterson leaves her ability to combine the wrong things in chemistry to Jean Kenny. Pat Konopka leaves every thing she enjoyed in Manistee High School, not including Roy Bukowski, to Dee Dee Laskey. Barbara Tobey leaves her piano-playing in chorus to her unlucky sister Jane.

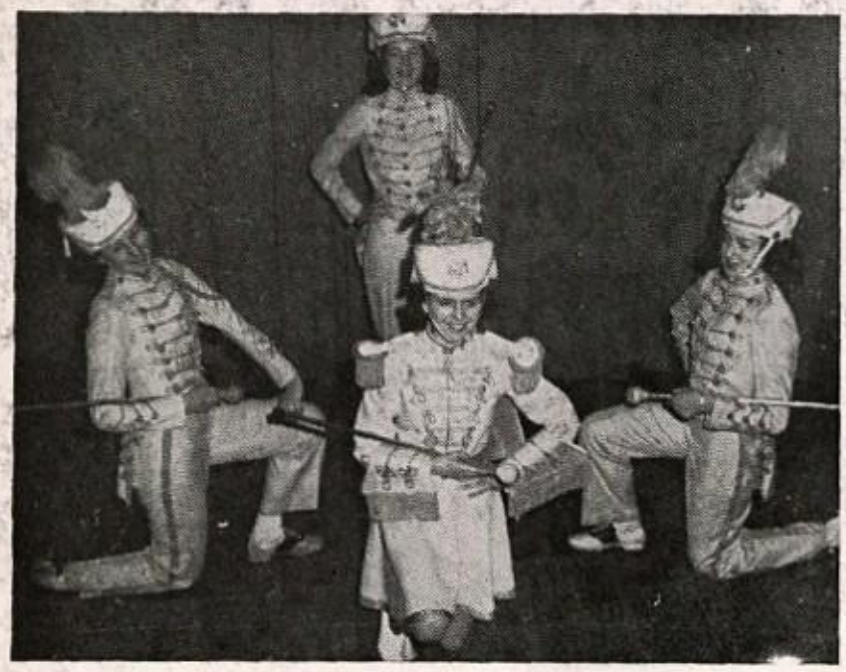
The high school band has two functions during the year. In the fall and late spring it is a military marching band, playing for athletic contests and patriotic events. During the winter it is a symphonic concert band culminating in a spring concert.

The band has only six senior members, which means that it has chances of fine development.

Mr. Dennis, the new director, has shown keen interest and enthusiasm for making the band one of the largest Manistee has ever seen. With the help of the Band Boosters, new uniforms and instruments have been the principal objectives.



Center: Beverly Wendel.
Back: Carol Novak, Glenda Behm, Connie Martin.

Vicky sings alto in chorus; Vic sings bass . . .

This year, for the first time in several years, the chorus was divided into two groups, the Mixed Chorus and the Girls' Chorus. Both groups made a great success under the direction of Mr. Dennis when they sang for Rotary during Holy Week.

The outstanding event of the year was the chorus concert which was held in May. It proved that there is a lot of talent at Manistee High School.

Lending a gracious and solemn mood to a very impressive service, the chorus ended its year by singing at the baccalaureate.

Back row (left to right): Rosenow, Makinen, Martin, S. Novak,Alexander, Ziemba, S. Wendel, Roosa, Bouma, Brooks, E. Rice, Hengeveld, Leet, Lundbom, S. Anderson, Jacobs, Franckowiak, Mann.

The affiliated Junior Rifle Club was organized in 1930 for the purpose of teaching the safe handling of the rifle and the fundamentals of good marksmanship. Match competition has never been emphasized because time is limited to one evening a week. This evening is spent in such a way so as to do the most good for the majority of members.

This year, however, ten boys attended the regional N. R. A. matches at Ann Arbor. The trip was made more for experience than glory, and no one expected to win any medals. No one did. The club ranked better than average and would have ranked fairly high if the scores had been taken and based on the experience of the respective teams.

The club is handicapped by the lack of time and equipment; for this reason membership is limited to thirty-five juniors and seniors.

and both he and Vicky were good tumblers

Back row (left to right): Clason, Adams, Eckoff, Kragor, Koon.
Middle row: Dittmer, Roskoskey, Thompson, Ross, Hebner.
Seated: Johnson, Deehr, Roberts, Hamlin.

Again this year the M. H. S. gym team was the main attraction of the second annual band-gym frolic which was presented to the students and to the public early this spring.

Also during the year M. H. S. students enjoyed a very interesting assembly program of mat tumbling, parallel bar work, and trampoline tricks demonstrated by the gym group.

The team, which was made up of M. H. S. boys and girls interested in physical education, was under the direction of Mr. Al Arnold.

Those on the team who are not pictured are the following girls: Racine, Thompson, Showalter, Hebner, Johnson, E. Bauman, J. Bauman.

Vic joined the Hi-Y in his sophomore year

First row (left to right): Ralph Eckoff, Carol Adams, C. G. Schindler, Dale Picardat.

Second row: Bob Amor, Jerry Bauman, Dick Bryck, Roy Bukowski, Holland Capper, Jr., Doug Close, Dick Crampton, Carl Hanson.

Third row: Norris Ingells, Ken Larsen, Tom Manwell, Bill Popa, Marshall Schimke, Roger Smithe, Dale Thompson, Dick Zeller.

Absent: Frank Schubert.

The Hi-Y club is a service organization and has as its creed clean living, clean speech, clean sports, and clean scholarship. The club has bi-weekly meetings, alternate ones being noon luncheons, with all the members eating in the cafeteria and the business meeting held in C-6.

Some of the activities and projects of the club during the past year have been financing school handbooks for freshmen, collecting magazines each month for hospital, sending Christmas gifts and clothing drive for the children in Knox school at Whitewall, Tennessee, assisting the Rotary Club with Easter seal sale, attending two churches in a group, the boy and girl banquet, hay ride, 49'ers dance, ushering at basketball games, Probate Court council, Kiwanis meeting program, Rotary Hi-Y meeting, and the club year ended with the picnic. The club sent delegates to Camp Hayo-Went-Ha and three delegates to the Older Boys' Conference at Jackson.

Mr. Radtke is the Hi-Y adviser.

The G. A. A. is one of the largest active organizations in Manistee High School. The first important event of the year was the initiation of new members. In November the "L'il Abner and Daisy Mae Dance" was very successfully carried through.

Under the able supervision of Miss Smith the spring dance brought the activities of one of the most outstanding groups in school to a close.

The Pep Club, under the supervision of Bert Carlson, boosts the sportsmanship and acquaints the athletes after the games.

They were both on the Manichigan staff

The annual staff, after the theme was decided on, started to work in C-7 under the direction of Mr. Krause. Later on though the staff, along with the Chippewa Chips staff, moved into C-8 and then, having acquired a couple of typewriters, things began to hum. If you ever peeked into C-8 during the fifth or sixth hour you were probably amazed at the conglomeration of pictures, papers, and — well, what have you — and wondered how a year book was ever to be produced from such a mess! The miracle has happened, however, and out of this scene of uproar and confusion we present to you this Manichigan.

Jim Janowiak, advertising manager, and his assistants, Norma Carty, Carol Adams, Bill Popa, Holland Capper, Bud Grant, C. G. Schindler, used their gifts of gab and really got the advertisements rolling in.

Pete Oakes and Norman Olson came through with a fine athletic section, Pete doing the layout and Norm the write-ups.

Iris Zaiger, sales manager, along with supersalesman Henry Crampton and Jim Triece, Delores Whitaker, Dick Zeller, Bill Amor, Phyllis Bernatche, Dale Picardat, Ralph Eckoff, Marolyn Marquand, Jack Arnold, and Joan Knuth, after a hard struggle persuaded most of the students to order an annual. We think Henry did a fine job on convincing every last unwilling senior to order his.

Ralph Eckoff, staff photographer, was kept plenty busy lugging that camera here and there, and catching those "poses" for the division pages.

Seated (left to right): Janowiak, Tobey, Krause, Rosenow, Zaiger.
Standing: Eckoff, Olson, Oakes.

Co-editors Violet Rosenow and Barbara Tobey were the main-stay of the whole staff. To make decisions we'd call on them. They contributed to every branch, experienced censor trouble, and shuddered at the thought of the deadline. Vi specialized in our artistic efforts.

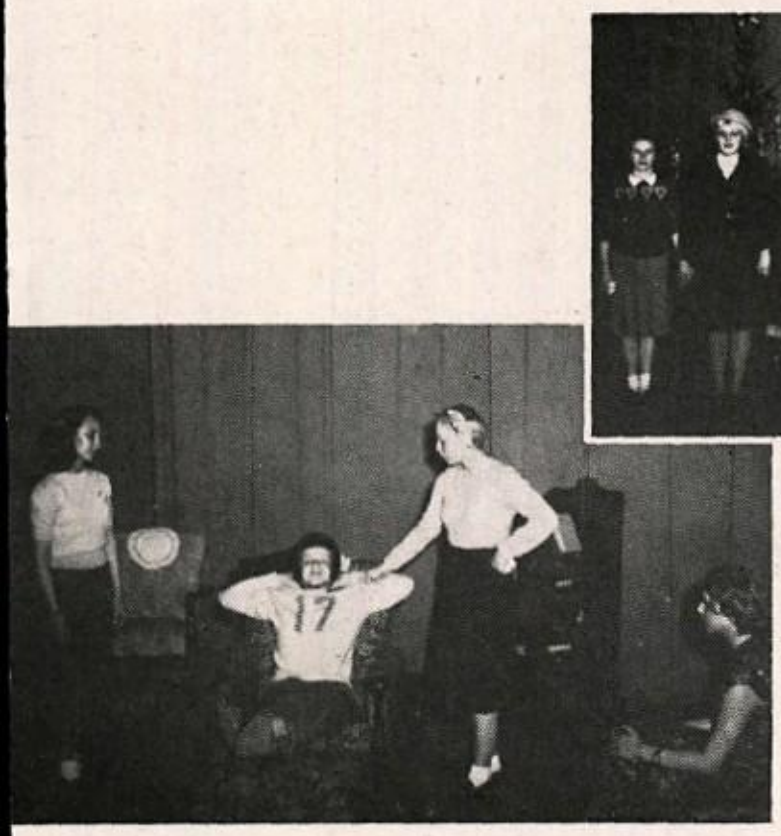
Mr. Krause, adviser, whose capable assistance and sense of humor has helped weather many a problem, has spent a great deal of time and effort in keeping things rolling smoothly.

Standing (left to right): Bob Anderson, Carter Wurts, Homer Smith, Ralph Eckoff, Jim Triece, *president,* Harold Jacobs.
Seated: Violet Rosenow, Blythe Bristol, Elaine Erickson, Marilyn Kruse.

The Student Council is a highly respected group of students, consisting of two representatives, a boy and girl, from each of the ninth, tenth, eleventh, and twelfth grades, and one representative from the eighth grade. In addition the council has a president chosen by the student body at an annual school election.

The Student Council sponsored the pep meetings and the homecoming celebration and has in general done a fine job of upholding the high standards and fine traditions of Manistee High School by encouraging good citizenship. Mr. Bendle is the adviser of the Student Council.

Vicky was a leading actress in the Drama Club



The Drama Club presented four plays this year which are as follows: *Thanksgiving Adventure, Geraldine and The White Robe, Sure As You're Born, She Stoops to Conquer.* Members: June Anderson, Patricia Konopka, Phyllis Bernatche, Jim Triece, Jim Janowiak, Beverly Ziemba, Joan Kott, Carolyn Peterson, Irving Kruwell, Beverly Kaminski, Marilee Lacey, Shirley Anderson, Donna Anderson, Darlene Madsen, Suzanna Mason, Bob Clason, Joan Tarr, Jean Rice, Nancy Leet, Elaine Bridge, Jim Nelson, Sally Novak, Jackie Kruse, Jean Smith, Bob Brooks, Gloria Smith, Charlotte Kuenzer, Lois Revolt, Delores Bernier.

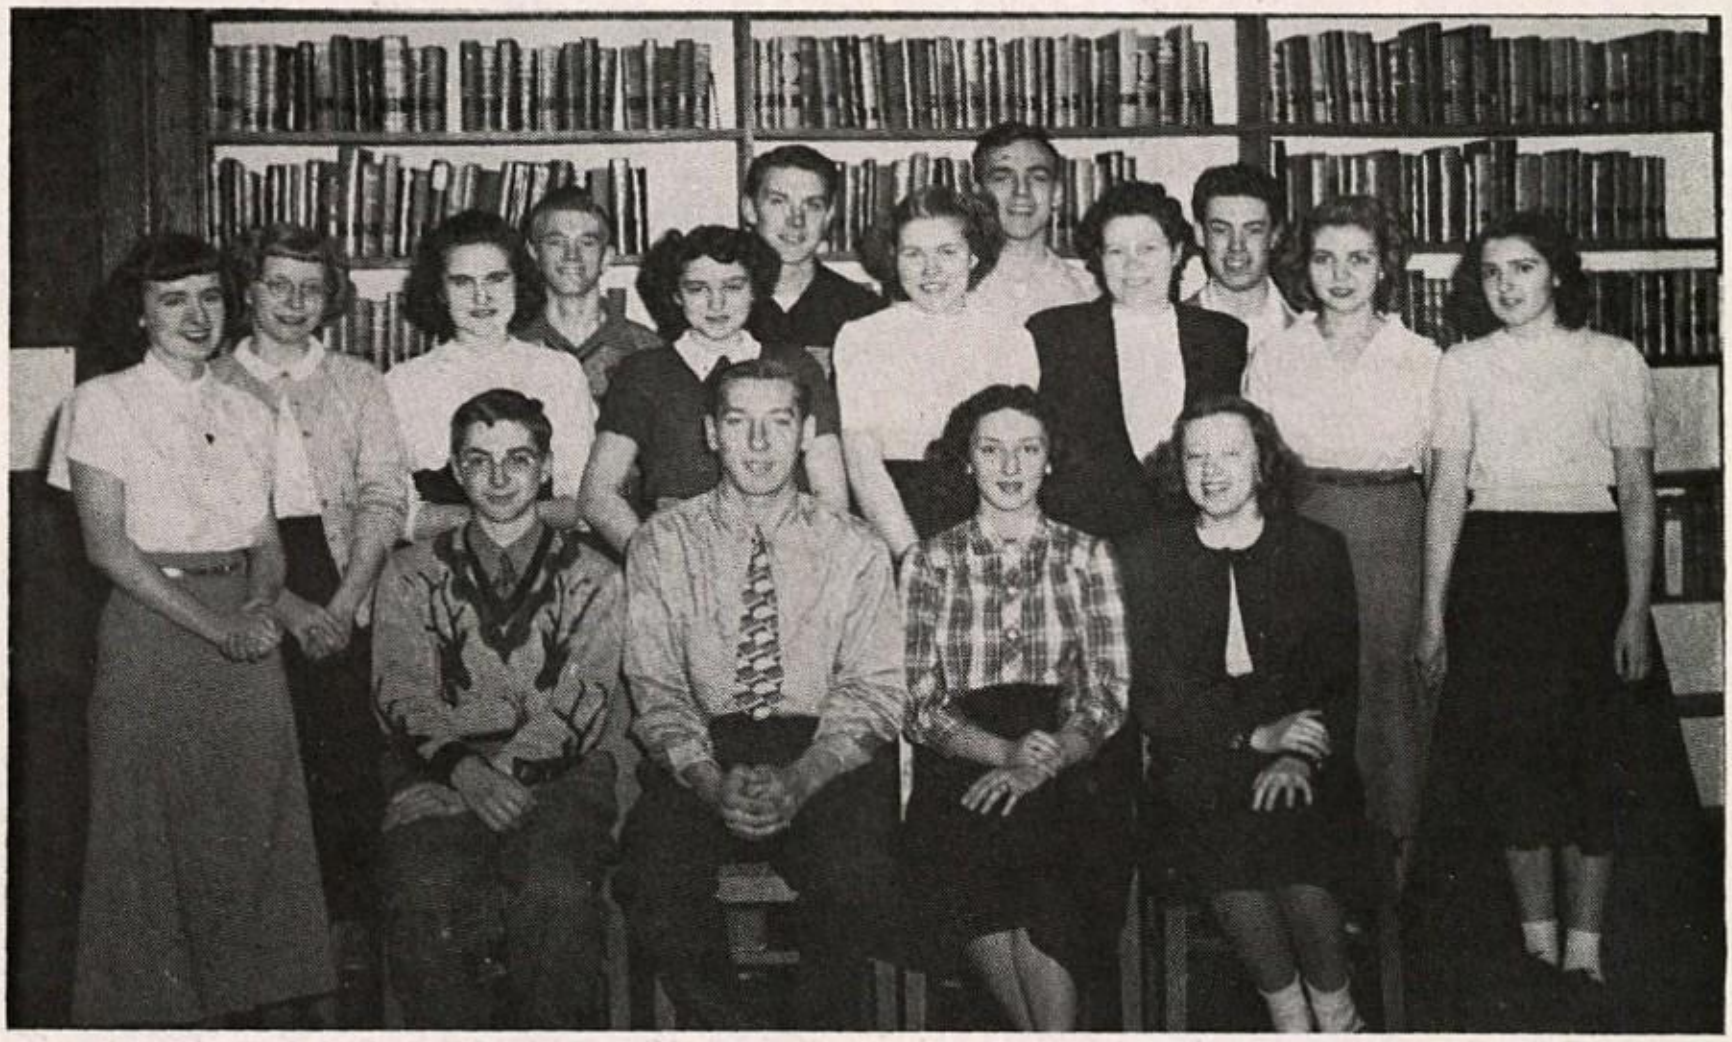
Four members of the club belong to National Thespians: Jim Triece, Delores Bernier, Sally Burden, Joan Kott.

Standing: Marjorie Coellner, June Anderson, C. G. Schindler, Rosemarie Batzer, Rose Helminiak.
Sitting: Janet Racine, Viola Radtke, Carol Adams.
Absent: Jim Triece, Dave Erickson, Marlene Oehlke.

The Book Worms, with their adviser, Miss Tautges, is one of the newly organized clubs at Manistee High School. The members assist Miss Tautges with library work as well as having monthly and social meetings.

The members wrote reviews of library books for the Chippewa Chips under the title, the Book Worms Suggest. They also made bookmarks for National Book Week. One of the State librarians who visited here had many compliments for the club's emblems and their article in "Chips".

Vic and Vicky salute these honor students



Standing (left to right): Pat Konopka, Marlene Oehlke, Barbara Tobey, Norman Olson, Norma Carty, Ralph Eckoff, Margaret Mann, Jim Janowiak, Grace Brassington, Bill Amor, Violet Rosenow, Letha Townsend.
Seated: Roger Smithe, Fabian Polcyn, Mary Ellen Roosa, Caroline Buckner.

The National Honor Society stands for scholarship, leadership, character, and service—high ideals which make better men and women. One of the highest honors that can be achieved by a high school student is admission into the society. Membership is limited to the upper twelve per cent of the senior class and five per cent of the junior class. Mr. Krause is the adviser of this society.

Special honors go to the three at the left, for they are the three leaders of the senior class. Marlene Oehlke, *co-valedictorian:* Barbara Tobey, *salutatorian,* and Violet Rosenow, *co-valedictorian.*

CHIPPEWA CHIPS

The Biggest Little Bi-Weekly in Manistee

Standing (left to right): Novak, Bryck, Arnold, Capper, Janowiak, Zeller, Crampton, Schubert, Popa, Eckoff, Close, Kruse, Adams.
Seated: Burns, Bernier, Tobey, Mr. Krause, Rosenow.

After a period of several years without a school paper, the appearance of the "Chippewa Chips" was a welcome sight to many members of M. H. S. The staff decided to use the name, "Chippewa Chips," instead of the old name, "The Chippewa Herald." Mr. Simons sent a mimeograph letter to the boys and girls in service during the World War. He called it the "Chippewa Chips." With his permission that title was chosen for the new school paper.

Credit for getting the "Chips" started this year lay in the hands of three people: Delores Whitaker, Ralph Eckoff, and Mr. J. W. Krause, faculty adviser. Most of the writing, reporting, and layout was done by these three for the first several issues. Delores was named editor during the first semester while Ralph did the work of managing editor.

Second semester work began with an entire rearranging of the staff in which each of the students above worked together to assemble the "biggest little bi-weekly in Manistee."

The first ten issues of the "Chips" were printed by the off-set process, but soon after the second semester work started, the mimeograph process was used, which allowed more room for news, feature stories, and humor columns. It was not long after the spring vacation the paper was published weekly instead of every two weeks as it had been printed during the first part of the year.

Vic and Vicky took an interest in Community activities

The Red Cross, under the leadership of Marlene Oehlke, drove relentlessly toward its goal and put the Junior Red Cross "over the top".

Back row (left to right): Smithe, Showalter, Polcyn, Janowiak, Amor, Arnold.
Front row: Oehlke, Carty, Mann, Anderson, Behm.

In the Community Chest drive sponsored by the Student Council the following home rooms were presented Oscars for contributing 100 per cent to the drive: C-6, C-7, B-11, A-9, B-6, C-16.

Back row (left to right): Tobey, Crampton, Ray, Triece.
Front row: Bouma, Boulanger, Lundbom.

Robert Clason Tom Ray

These two freshmen debaters brought honor to their school by discussing the Taft-Hartley bill before the Rotary and Kiwanis clubs and the W. S. C. S.

For the first time in several years a camera club, under the name of Chippewa Camera Club, was organized in the school. Although the group was small, many photographic achievements were made by the members. One of the main activities of the club was the sponsoring of a school photo contest. John Lakos was very generous in spending his time as the club's adviser.

GAME RESULTS

Manistee 6 — Petoskey 26

During the first two periods of this first game, the "Chips" fought an evenly balanced fight. The Northmen, during the second half with their powerful end sweeps, overpowered the "Chips" and went home with the victory.

Manistee 6 — Soo 31

Outclassed and outmaneuvered, the Tribe fought furiously but La-Pointe's power plays were too much for the Tribe. It was a well-played game. The only score was made by a pass from Arnold to Jach who hoofed it for 35 yards.

Manistee 7 — Ludington 13

This was one of the most exciting and discouraging games of the season. The Tribe was within the 10-yard stripe three times and failed to push over. Jach completed the pass from Schubert and scored. During the third and the first of the four periods many fumbles were made by both teams.

Manistee 0 — Cadillac 13

The first period of the game the "Chips" just weren't on the ball. Several fumbles and Ullman's lightning speed proved disastrous. The Tribe made it to the 7-yard line, but failed to score.

Manistee 14 — Big Rapids 0

Big Rapids, the weaker sister of the conference, was overrun by the "Chips". Brzezniak went over for the first score and also made the extra point. Jach completed a pass from Schubert and ran 22 yards for a T. D. Schubert pushed over for the extra point.

Manistee 0 — Mt. Pleasant 42

The Tribe was up against an unbeaten team of the conference and "The Oilers" kept their fame. The longest run of the evening was made by Grover Freeze, who carried the ball 92 yards. Schubert made 29 passes and 13 were completed.

Manistee 12 — Traverse City 6

This game looked rugged from the start. Traverse City carried the ball to the finish first, but the "Chips" did not fail their fans. Before long the score was tied up. Schubert lateraled to Arnold, who passed to Jankwietz who went over. Schubert passed to Jankwietz who scored.

Manistee 13 — Ludington 13

The most joyous game of the year was played on a knee-deep mud field in a heavy rain storm. This was a hard fought game by both teams. Since the field was muddy and slippery, Ludington's fast ball carriers had a rough time getting under way. The Tribe really had team work, much more than usual. Things just clicked while they were on their feet. Schubert scored both touchdowns and passed to Walters for the extra point. The longest run of the evening was by Wurts, who carried the ball 48 yards.

The Manistee Golf Team traveled to Cadillac last spring to enter in a three-way meet with Cadillac and Mt. Pleasant. After playing 6 holes in the rain, play was stopped.

The following week the Tribe traveled to Traverse City to play the Trojans on their home course. The day was cold and there was a strong wind off Grand Traverse Bay which made things tough for both teams. Although the weather was bad, the teams managed to get in 9 holes. The final outcome of the meet was Traverse City 3½, Manistee 1½. Oakes and Kruse made the points for Manistee by tying Traverse.

The next week the North Central Conference meet was held on the Manistee course. Traverse City, Cadillac, Mt. Pleasant, and Manistee were on hand for the meet. The day was warm and calm, perfect for golf. As the afternoon progressed the four foursomes finished play and their scores were carded. First place went to Cadillac, second to Traverse City, Manistee was close behind in third and last place went to Mt. Pleasant. Bryck was low for the Chips, closely followed by Kruse.

The next meet was with Cadillac on the home course. The Tribe met a tough and experienced team. The outcome: Cadillac 12, Manistee 0.

The final meet of the season was with Traverse City. The Tribe just could not get going. The final count was Traverse City 12, Manistee 0.

Mr. Tuohy, the team's able coach, has won the President's Cup at the Manistee Country Club several times.

Vicky goes to the track meets . . . .

The Manistee High School track team, under the direction of Coach Glen Hunter, participated in seven track meets.

Because last year was the first year Manistee had had a track team, most of the members had very little experience in the sport. Three of the members — Leonard Cota, Ken Mallison and Carter Wurts — consistently made points in every meet.

Leonard Cota won the invitational at Ludington, placed second in the Conference meet at Cadillac, second in the district, and 12th in the state.

Ken Mallison scored points in every meet in his specialties — broadjump, 220 and 220 hurdles.

Carter Wurts showed brilliant form in winning the invitational at Ludington and placing second in the regionals at Cadillac in the 440. Wurts also showed his ability in the high jump by scoring valuable points to help the team. His best achievement was coming in 5th place in a very close race in the 440 yard dash of the state meet.

You Owe It To Your Country

To Read a Good Newspaper Daily!

Sure, a Democracy is the best form of government in the world — but the only type of Democracy which can hope to survive is an ENLIGHTENED Democracy. That's only possible where people READ, and THINK, and KNOW WHAT IS GOING ON! You owe it to your country to keep abreast of current news, to discuss the day's problems with others, to vote intelligently and regularly, to know about and understand the complex problems of the day.
